## PREPARATION AND JUDGMENT APPLICATION

MODEL FOR GENERAL REFERENCE ONLY. NOT LEGAL ADVICE. These preparation notes are not part of the document to be signed or filed.

Model format for general reference only. Not legal advice. Adapt to the facts and the court's current rules. Source: masterlegalwork.com

Layout revised 17 October 2026 in the MLW house style: Legal paper, Arial 13, justified text and separate preparation notes. This is a model, not a prescribed court form. Check the current registry and e-filing requirements; mandatory court directions prevail. Use only identity particulars lawfully required by the forum and apply any required masking.

Updated 11 October 2026. Complete every material fact, retain only supported alternatives, and renumber before filing. These notes support professional adaptation; they do not supply missing evidence or guarantee relief.

Filing and relief checks. Examine the Order VI Rule 17 proviso separately after trial commencement. Attach a marked comparison and clean version; address limitation, admissions and prejudice expressly.

Fact-specific authority. Revajeetu Builders & Developers v. Narayanaswamy & Sons, (2009) 10 SCC 84; 9 October 2009, paras 61–70, especially 67. Relate necessity, bona fides, prejudice, changed character and limitation to each amendment. The liberal approach does not excuse withdrawal of a material admission or failure to satisfy post-trial due diligence. Read the judgment

Before relying on any authority, compare the material facts, procedural stage, statutory version and precise relief; check subsequent treatment and applicable local practice. Keep the authority note separate from the signed pleading. For criminal procedure, determine Section 531 BNSS savings rather than select the code solely from the alleged offence date.
