PREPARATION AND JUDGMENT APPLICATION

MODEL FOR GENERAL REFERENCE ONLY. NOT LEGAL ADVICE. These preparation notes are not part of the document to be signed or filed.

Model format for general reference only. Not legal advice. Adapt to the facts and the court's current rules. Source: masterlegalwork.com

Layout revised 17 October 2026 in the MLW house style: Legal paper, Arial 13, justified text and separate preparation notes. This is a model, not a prescribed court form. Check the current registry and e-filing requirements; mandatory court directions prevail. Use only identity particulars lawfully required by the forum and apply any required masking.

Updated 11 October 2026. Complete every material fact, retain only supported alternatives, and renumber before filing. These notes support professional adaptation; they do not supply missing evidence or guarantee relief.

Filing and relief checks. Confirm ordinary suit versus Order XXXVII eligibility; contractual/arbitration clause; authority to sue; Section 80 CPC notice if applicable; commercial pre-institution mediation; complete principal/interest calculation. Seek pendente lite and future interest under Section 34 CPC separately. Do not insert a judgment merely to replace proof of the debt.

Before relying on any authority, compare the material facts, procedural stage, statutory version and precise relief; check subsequent treatment and applicable local practice. Keep the authority note separate from the signed pleading. For criminal procedure, determine Section 531 BNSS savings rather than select the code solely from the alleged offence date.

Note: Annex: list of documents relied upon (Order VII Rule 14 CPC), list of witnesses, court fee, process fee, and copies for service. For a commercial dispute of the specified value, follow the Commercial Courts Act, 2015 (pre-institution mediation and statement of truth).

Note: To be sworn before an Oath Commissioner / Notary Public and stamped as required by the applicable rules.
